Dedication

Mrs. Smith

Mr. McGreevy

There isn't much that we can say...
When we worked, you were there
working beside us.
When we succeeded, you were there
to congratulate us.
When we failed, you were there
to encourage us.
There isn't much that we can say...
You've put up with our quarrels
and our shortcomings,
And you've laughed with us
when we laughed.
There isn't much that we can say...
except thank you for a job
well done.

Co-Dedication

Mrs. Bernard

Mrs. Bernard has been blessed with the double job as advisor of the cheerleaders and permanent chaperone of all the pep buses. Her job hasn't been easy, but she has tackled it with enthusiasm and for this we are truly grateful. Thank you, Mrs. Bernard.

Mrs. Byrnes

Mrs. Byrnes has had the difficult job of supervising the yearbook. She has put up with deadlines, scatterbrained students, and countless other problems that arise every day, but still she has remained patient and always ready to lend a helping hand. Thank you, Mrs. Byrnes.

Mr. Mahoney

Mr. Mahoney's contributions to S.L.C. have been immeasurable. He has always been ready, willing, and able to help anyone at any time. But, probably his greatest contribution was leading the Larries to an undefeated football season and first place in the Northern League. Thank you, Mr. Mahoney.

Mr. Stranger

In every school there is one teacher who is always ready to help when help is needed, and ready to listen to problems, whatever they may be. In our school, Mr. Stranger is that person. Thank you very much, Mr. Stranger, for being there when you were needed.

Mrs. Gale

In Memory

Mrs. Turbide

Jeffrey Smith

I thought once how Theocritus had sung
 Of the sweet years, the dear and wished for years,
 Who each one in a gracious hand appears
 To bear a gift for mortals, old or young.
 And, as I mused it in his antique tongue,
 I saw, in gradual vision through my tears,
 The sweet, sad years, the melancholy years,
 Those of my own life, who by turns had flung
 A shadow across me. Straightway I was 'ware,
 So weeping, how a mystic shape did move
 Behind me, and drew me backward by the hair,
 And a voice said in mastery, while I strove,
 "Guess now who holds thee?" - "Death", I said. But there,
 The silver answer rang . . . Not Death, but Love.

Mrs. Gerrish*

The English Department, under the leadership of Mrs. Langelier, has the grave duty of instilling pupils with the ability to use the English language correctly, to spell accurately and to enjoy contemporary literature. They have done their job well.

Such rules as don't use no double negatives will always be remembered as well as the immortal novels; **To Mother Goose With Love** and **The Lone Ranger Rides Again**.

Mr. Alverson

Mrs. Cowen

Mr. Pickard

The members of the Department of Science, under the direction of Mr. Alverson, really have their work cut out for them. To begin with, they must first dispel any lingering misconceptions that we managed to pick up along the way, like the earth being flat, or babies coming from cabbage patches. Their second step is then to motivate the students, to arouse their curiosity, to inspire them, not just cram them full of facts, and they have done this, and done it well.

Mr. McGreevy

The History Department, under the leadership of Miss Tripeny, is in charge of the affairs of our great country. Without these dedicated teachers we would never be awakened to the many fascinating aspects of history.

Did you know Washington never told a lie, democracy never dies, and General Grant never took a bath?

Department of math

With the aid of his colleagues, Mr. Sweeney accomplishes his goal as department head. They attempt to teach us how to conjugate, formulate, navigate, variate, interpolate, evaluate, compute, and relate different circumstances and problems. But, it all comes to mean the same thing in the end. WORK!!

Mr. Mammano

Mr. Smith

If anyone is to take Français under the direction of Monsieur Dalbec, they are sure to learn to live with and love Monsieur Bertin.

Mrs. Widmer and Mrs. Dow struggle to teach their students Español.

With classes next door to one another, the Spics and Frenchmen attempt to get along to the best of their abilities.

Business education

The Commercial Department, under the direction of Mr. McNulty, tries to acquaint the student with the business world. The student is taught typewriting (using more than two fingers), counting (using those big numbers over ten) and applying business to one's daily life (which horse to bet on in the 7th).

Librarian

Mrs. Stickler has the fun job of maintaining peace and quiet in the library, and that's not exactly easy when there's a school full of big-mouth kids.

Home economics

There are two main objectives of the Homemaking Department: (1) don't stick the needle into the finger and (2) never touch a hot stove. You can be sure that Mrs. Bernard and Miss O'Brien stress these and probably demonstrate them more than once themselves.

Driver's education

Mr. Meagher and Mr. Fiske, probably the two bravest men in the school, risk their lives as the students take control of the car. Good luck, you guys.

Outing club

The outing club's a rowdy bunch,
We eat stale cookies for our lunch.
We scale the highest mountain top,
And never, hardly ever, stop.

We ski with speed that does alarm,
And only sometimes break an arm.
But when we feel like having fun,
We pick on Mr. Alverson.

The "Spring of 72" will long be remembered at SLC. Led by seniors Tom Tyo, Kelly Dempsey, and Marlowe Villnave, the Larries started slowly, but quickly picked up the pace as they compiled a 9-3 record in league play and became Co-Champions of the Northern League with Malone. The climax of the season came when the Larries entered the playoffs and came out on top after defeating Potsdam, 12-4, and Malone, 5-2, even though they suffered defeat twice at the hands of the Huskies in regular league play. All Northern honors were achieved by Tom Tyo (third base), Mike Murtagh (pitcher), Kirk Dempsey (shortstop), and Rodney Truax (outfield). Jeff Rose received honorable mention as second baseman.

St. Lawrence Central Wins North 10 Title

By JACK SMITH

POTSDAM — St. Lawrence Central defeated Malone 5-2 and won the Northern League, Section Ten Playoff Championship.

For most of the way the two teams were locked in a pitching duel between All-Northern hurlers Mike Murtagh of St. Lawrence Central and Jack McFaul of Malone. Then, in the sixth inning, the Larries got the three runs that were the ultimate margin of victory.

Malone opened the scoring in the first when Hughes walked. McFaul then hit a ground ball that hung Hughes up at second but left McFaul on at first. After a Huskies had men on first and third, Coach Ken Hermann called the double-delayed steal which worked to perfection. McFaul scored from third and Malone was up 1-0.

St. Lawrence Central got even in the third when Kelley Dempsey blasted a double down the left field line, went to third on an infield out, and scored when what should have been the third out was dropped by an outfielder. But it was the sixth that did the damage.

Tom Tyo opened it for the Larries with a single to center. Kirk Dempsey laid down a perfect bunt and all runners were safe. A few moments later and the bases were loaded with no one out. McFaul reached back as far as he could go and struck out the next two batters. It looked very much like he would work his way out of it.

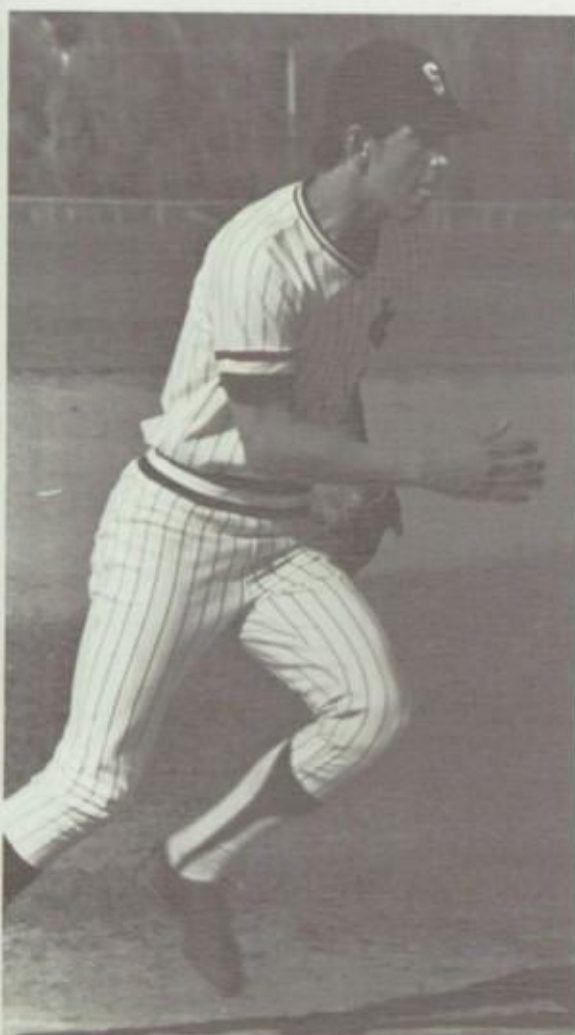

Then Marlowe Villnave drilled a tremendous triple to center field and three runs scored.

In the final frame the Huskies gamely tried to come back and did manage to score one run on singles by Rheone, and Steve Fleury. But a walk by Lamoca. But Murtagh fielded a ball and started a game ending double play that won it for St. Lawrence.

Earlier in the week Clifton Fine won the B-C division of the Section Ten Championship by defeating Brush-ton-Moira 5-4.

A fast-running, hard-hitting team of Freshmen brought a J.V. baseball championship to S.L.C. Veteran services from sophomores Rick Bradish, Joe LaValley, Rick Teneyck, and Steve Boutot sparked the league leading Larries.

The M.V.P. award must go to an outstanding hurler Joe LaValley, who threw the ball by everyone.

A team cannot win without runs. These were provided by Mark Eldridge and Bill Deleel, with the long ball powered by Rick Bradish.

S.L.C. will be awaiting the return of an all-star infield

with Mark Eldridge again in the hot box at third, Tony Truax at shortstop, Steve Michaud and Ray Rose at second, and Chris Kilcoyne and Greg Teneyck at first.

The outfield sparked by Mr. Spirit, Rick Teneyck, consisted of Bill Deleel, Allan Brown, Tracy Phillips, Steve Boutot, and Gary Burgoyne.

With eleven freshmen returning and the eighth grade coming up, S.L.C. should look forward to another successful season in the spring of '73.

St. Lawrence junior high football enjoyed a successful football season. Sixty two boys from grades 7 and 8 participated in the junior high program this year. Some fine prospects for jr. varsity competition showed this year. The jr. high team will send some 30 boys up to J.V. football next season and at the same time will be able to keep a good nucleus of players for the 1973 jr. high season. In the four games played, the Jr. High Larries lost to a Big Tupper team twice and had 2 exciting victories over a good O.F.A. team.

The 1972 edition of the Larries J.V. football was the largest team in numbers ever to play the game at SLC. Although the record was disappointing, the team gained valuable experience on the gridiron. The starting line-up was composed mostly of sophomores, but there was a strong back-up unit of freshmen. C. Kilcoyne was the outstanding back. He was picked for his plays as quarterback and running back. B. Scharf was considered the outstanding lineman for his action as offensive guard and defensive end.

Other backs who contributed greatly were S. Smith as quarterback and running back; M. Socia, R. Weegar, L. Grenier and G. Grenier were running while B. Deleel, C. Marriott and K. Gardner played flanker back. Some first year players who added depth to the half back positions were R. Paige, G. TenEyck, T. Hallahan, G. MacPherson and E. Fregoe. Our quarter backs passed to S. Kelsey, T. Truax and K. Sebring while W. Simms, D. Perry and D. Danforth backed them up.

The sophomore line was physically small but quick, led by guards: J. Fowler, B. Gibson, J. Cootware; Tackles: R. Rose, D. Keenan, J. Collins, R. Phillips, S. Kinnear, T. Francis; Center: L. Sutton. Other linemen who saw action were M. Murray, P. Lynch, J. Finnazzo, D. Farnsworth, R. LaComb, G. Burgoyne, M. Deleel, C. Johnstone, and G. Boice.

St. Lawrence Central's Varsity Football Team had the greatest year in the history of football at our school. We were Northern League Champions with a perfect 8-0-0 season and ranked number 9 in the New York State Small High School Ratings. The team also placed 7 starters on the first team All-Northern team. The climax of the season was undoubtedly our win over Massena. This was the first win ever for SLC over Massena in football. The team was led by quarterback Kirk Dempsey, who had a really great year. Matt Nezezson, Mike Murtagh and Rodney Truax were the top receivers with Nezezson catching 9 touchdown passes and Murtagh 7. John Keenan was our top running back until injured and missed 4 games. Mark Eldridge and Tom Hart developed into fine running backs. The offensive line was led by center Edward Pierce along with Danny Sebring, David Wilson, Kevin Kinnear and David Foster. This group improved every game and did an excellent job. Defensively we were led by 3 times All-Northern John Burns and 2 times All-Northern Rodney Truax. Burns was joined by David Wilson, Kevin Kinnear, Danny Sebring, Mike Murtagh, and Danny Derouchie to give us a good defensive line. Linebackers were Dennis Lantry, John Keenan, Steve Michaud, Ricky Bradish, Mark and Greg Eldridge.

Rodney Truax and Matt Nezezson did an excellent job as defensive backs. The seniors on the team will take pride in the fact that they had only 1 loss in their varsity career. Other seniors closing out their careers are Brian Hallahan, John LaMay, Jeff Dow, Danny Brabon and Leroy Jock. The juniors and sophomores have the task of defending the Northern League Championship. This will be no easy task, but each knows what went into making our team a winner and they will be asked to provide the leadership that the seniors have given us. The managers for the team were Keith Savage, Bryan McLaughlin, John McLaughlin, Jerry Smith and Bruce Wilkins.

ST. LAWRENCE CENTRAL SCHOOL

WINTHROP, N.Y.

KINDERGARTEN 1960-61

Thirteen years ago, in the fall of 1960, a hundred or so screaming rambunctious kids entered the quiet solitude of St. Lawrence Central School for the first time, and it's never really been the same. We were an ambitious lot all right, always into something, keeping the teacher on her toes; but, as people

gazed down upon our shining faces, predictions were made about our future: some expected us to turn out as really great people, others weren't quite as optimistic, but still, **no one** expected us to turn out quite like this:

Nancy Lynch, Cheryl Barnes, Mary Sullivan, Kelly Dempsey, Rick Francis, Matt Nezezon, Jeff Dow, Sheila McAllister, Kirk Dempsey, Donna Crinklaw.

Sheila McAllister and Kirk Dempsey.

Mary Sullivan and Kelly Dempsey.

Last year we deviated from tradition and in lieu of a prom we held a Graduation Ball in honor of the graduates. Predicted a failure, it became a great success, thanks to unceasing efforts of our advisors, Mrs. Smith and Mr. McGreevy. The ball was well attended by all. The climax of the evening came during the coronation of the royalty.

This is our yearbook. We worked hard on it, trying to the best of our ability to do a job that we could be proud of. But, we are only human, and capable of mistakes. If we misspelled names, identified pictures incorrectly, or left someone out of a picture entirely, we apologize.

A poet once said, "Of all the things that man has done, the hardest was good-bye." In June, another class will be saying good-bye—good-bye to SLC, good-bye to high school, good-bye to a way of life—as each turns and goes his own way. Good luck, Senior, whatever your endeavors. Keep your head up, and always look on the bright side; and once in a while, take a quiet moment and think back to SLC and the class of 73.
